

Lead Educate Inspire through School Health

REGISTER TODAY!

2017 FSHA Annual Training and Conference
May 17-19, 2017

Pre-Conference

Hear from the experts on the impact that medical marijuana and prescription drug abuse is having on our schools. We will explore policy, laws, and personal rights through discussion and Q&A.

Keynote Speakers

Dr. Celeste Philip, MD - Florida Surgeon General
Key Updates from the State

Joseph D. Pepe, Health Officer, Hendry and Glade Counties
Childhood Trauma and How it Impacts Education and Health

KT Curran, The SOURCE Teen Theatre
Using Theatre & Film to Reach Youth to Prevent High Risk Behavior

Mike Rivera, Teacher and Comedian
America's Most Hilarious Teacher!

 Important State Updates

 Breakout Sessions will be offered related to school health, safety, and prevention

FSHA's Business Meeting and Awards Luncheon

Included in the conference, this is an opportunity for special recognition to deserving colleagues in School Health, Education, and Prevention. Go to <http://fsha.net/awards/> for information. Deadline extended to April 21st.
